**NORTHWEST HEALTH SYSTEM**

**Good health is in store!**

CareExpress offers prompt access to affordably-priced acute and preventive care for common health ailments that are treatable without need for urgent or emergency care. People come to us for all kinds of reasons including sore throats, sinus infections, upper-respiratory infections, earaches, bladder infections, insect bites and stings, blood-sugar testing, vaccinations and routine physicals.

No appointments necessary, and patients may pay cash or file claims with participating health plans. CareExpress is staffed by experienced nurse practitioners who work under the oversight of Northwest Health System physicians.
